

Building better futures
for children with disabilities

Supporting your child's early communication. Parent session, first time in Wonthaggi.

You are invited to join Lou Ambrosy from the Noah's Ark Training team when she comes to Wonthaggi to run a **free** parent workshop around supporting early communication with your child. This workshop looks at practical strategies you can use today to support your child's early communication. It will enhance your existing skills in understanding how children's communication develops and look at ideas you can use at home.

Thursday the 28th of March

Morning Session (10am to 12 noon) Seminar P1

Supporting your child's early communication

Thursday the 28th of March

Evening Session (4:30pm to 6pm) Seminar P2

Supporting your child's early communication
