

FOSTER COMMUNITY ONLINE

VICTORIA'S SECRET - SOUTH GIPPSLAND

With more apologies than attendees, a small gathering of committed FCA members came along to vote in a new committee at last night's AGM postponed from 2020.

Unfortunately only one position could be filled and so we then discussed the options available to us. We have set the date for a special meeting to be held at 6:30pm on Wednesday 24th March.

The remit of the FCA is that we are made up of “energetic and passionate members of the community”...and if we are not that, then the FCA cannot achieve our stated purpose; “To desire to improve and preserve the social, economic and environmental wellbeing of the town and surrounding district. To represent those who live, work, play, shop, study or invest in Foster, and those who visit here for recreational or cultural purposes. Without a committee and active membership there is no FCA to “... contribute to Foster becoming a more attractive, vibrant and prosperous community; one that has a strong identity and continues to be a great place to live, work and visit!”

So will a fresh group of energetic and passionate people now make themselves known?
